ANNOUNCEMENTS

Charge Your Phone/Tablet ANYWHERE on Campus

- *Does your phone or tablet run out of power in the middle of day?*
- *Are you constantly looking for outlets to charge your phone?*
- *Would you like an alternate solution?*
- ***Oomf is here to save the day!!!!***

Student Services, Forsyth Library, Residential Life and Technology Services have teamed together to bring you a pilot program that will enable you to “check out” a charger, charge your phone or tablet, then return the charger within 24 hours – AT NO COST. The pilot program is open to students, faculty, staff and visitors; and starts immediately and will run through the end of the semester....so please give it a chance today!!

Getting started is easy....just follow these steps:

- **Step #1** – Create an account at www.oomf.it
- **Step #2** – Find a charging station at one of the following locations (look for a sign like the one below):
 - Residence Halls - McMindes Hall, Weist Hall, Custer Hall, Agnew Hall, Heather Hall
 - Forsyth Library – Main Lobby
 - Memorial Union – Starbucks, Information Desk
 - Campus Buildings – McCartney Hall, Albertson Hall, Malloy Hall, Stroup Hall, Hammond Hall, Pickens Hall
 - Other Facilities – Gross Coliseum, Wellness Center, Beach Schmidt, Lewis Field, Robbins Center, TigerTech
- **Step #3** – Launch the app (www.oomf.it) and ACTIVATE the charger
- **Step #4** – Return the charger to any charging station before 24 hours are completed.

You will receive reminders/text messages when your time is up.

Each charger has both a micro-USB and Apple lightning connector – which will fit 95% of all phones. Chargers kept after the 24 hours will incur a \$5 charge/day – so please return them soon!

Questions...call TigerTech for more information or to provide feedback! Happy charging....

-Joy Hatch, Vice President for Technology

Support the United Way Campus Campaign

If you haven't already replied to this year's United Way appeal, please consider making a gift to help us wrap up the campus campaign. We are currently \$6,172 short of reaching our goal of \$40,000. May we count on your help?

You might think your participation doesn't matter, but it truly does have the power to change lives. As a member of the United Way Board of Directors, I have seen firsthand the impact that our support has on children, the elderly, the disabled, the ill and others in our community. The services offered by the 15 United Way partner agencies are made possible with the help of citizens like us. Every dollar contributed stays in Ellis County, providing support to our neighbors in need.

Please consider making a gift to the United Way campaign. Any donation, regardless of amount, is appreciated and will make a difference.

Don't forget that anyone who contributes will be invited to a buffet meal and basketball game during the upcoming season. Let's pack Victor E. Lounge!

To those who already made a donation to the United Way campaign, thank you for your support!

-Lisa Karlin, Director of University Relations and Marketing

Create an Appointment from an Email

Since opening up the faculty and staff groups so that everyone can email them, we've had several instances of individuals sending meeting invites to faculty/staff by mistake, rather than creating their own appointment on their calendar. Whenever you create a meeting, be sure to take notice of who is included on the meeting invite. For creating a simple calendar appointment from an email here are some videos that show you how to properly do this in Outlook:

Entrepreneur Direct Lecture Series Featured with Science Entrepreneurs Rodriguez and Stehno-Bittel

Tuesday, November 8, 10:30am to 11:45am

Memorial Union Ballroom

Science entrepreneurs will be featured in Fort Hays State University's Fall 2016 Entrepreneur Direct Lecture Series. Isaac Rodriguez and Kayla Rodriguez Graff of Sweetbio and Lisa Stehno-Bittel, President of Likarda, LLC will present on November 8, 2016 from 10:30-11:45 a.m. in the Fort Hays Ballroom of the FHSU Memorial Union.

Isaac Rodriguez is CEO and Chief Science Officer and Kayla Rodriguez Graff is COO, of Sweetbio, a bioscience company bringing to market a membrane to be used in dental treatment. After tooth loss or before implantation, membranes are used as a barrier to protect bone growth and encourage gum regeneration. Non-resorbable membranes, typically plastics or metals, do not dissolve and must be eventually removed. Resorbable membranes degrade as the gums heal and do not require removal. The SweetBio membrane is resorbable and is the first to incorporate Medical Grade Manuka honey to rev up healing and fight bacteria.

Lisa Stehno-Bittel is the President and Founder of Likarda, the parent company of two biosciences companies. One is **Likarda Animal Health** which produces kits to manage diabetes by transplanting Kanslets™ (our proprietary engineered

islet cell clusters) into diabetic dogs and cats. The other is **LikardaBio** which supports pharmaceutical, nutraceutical and therapeutic development companies by providing consultative research and analytical services from early stage drug discovery through lead compound optimization.

Entrepreneur Direct is a speaker series that features successful entrepreneurs in an informal setting that is accessible and free to students, faculty and the public. The program is intended to connect students with successful entrepreneurs who have stories and advice to share. A panel asks questions about entrepreneurship and encourages questions and interaction with the audience.

Leadership 310 Team “Tell Your Story” Events

November 10, 6:00pm to 7:30pm, Memorial Union Ballroom

November 16, 6:00pm to 7:30pm, Pioneer Room

The Leadership 310 team, Embrace Your Stripes, would like to invite you to attend our “Tell Your Story” events on **November 10th in the Fort Hays Ballroom** and **November 16th in the Pioneer Room** from **6:00pm – 7:30pm**.

“Tell Your Story” will feature various student speakers from organizations on campus such as H.A.L.O, Black Student Union, DREAMERS United for Success, representatives from the Kelly Center, international students, and many more.

“Tell Your Story” will provide an opportunity for students to learn more about the diversity found on the FHSU campus. Through open discussions with students, faculty, and staff, Embrace Your Stripes hopes to foster an environment with open communication to address topics ranging from culture, international experiences, and obstacles that minority groups often face. Featured student speakers will share their stories on their experiences and how diversity has and continues to impact their daily lives, especially on the FHSU campus. Representatives from the Kelly Center will be present to provide additional information on how a students’ well-being and the diversity on a college campus connect. They will also provide resources on mental health and how to address it.

We are available and happy to stop by your office and bring flyers that can be passed out in class. We believe your support will help make our project and events a success. If you have any additional questions, please feel free to contact us at ciheme26. Additional information on the event has been attached, feel free to forward to anyone who may be interested in attending our event.

For questions, or to request flyers, please contact Chelsea Iheme at ciheme2794@gmail.com.

New Courses in Applied Business Studies Department

As you look forward to enrollment over the next couple of weeks, the Department of Applied Business Studies invites you to share the following new courses with your students. They may be able to apply as an elective for some your students.

Intersession 2017 – GBUS 673 VB: Foundations of Wine

Upon completion of the course students will have a basic knowledge of viticulture (grape growing), enology (wine making), and the history of wine making including pivotal events that have shaped the wine industry today. Students will learn about the major wine regions of the world and distinctions between New and Old world wines. Students will acquire fundamental knowledge of the types (still, sparkling, fortified and dessert) and styles of wine, and major grape varieties. Students will also gain practical knowledge of the language and labeling used in wine bottling and production along with practical aspects of storage and wine service. Finally, students will gain an understanding of food and wine pairing, and the four-step tasting technique used to evaluate wine.
